## SEWING INSTRUCTIONS

June 6, 2019  
Designed by autumn

## Materials

1 X 3" hook

Webbing  
- Blue  
- Gold  
- silver

3 X 4 vinyl

## Sew up

1. Do a line of stitching on all the stitch marks
2. Sew down your 1.5" loop in marks
3. Hem the raw edges of the window in the body, stitch is 1/4" in
4. Set the vinyl and sew it in following same stitch line in step 3
  - a. Trim the excess vinyl
5. Bind sides 500D black cordura
6. Sew on the 1 X 3" hook on the webbing
  - a. Fold over the webbing and make sure the hook is over the raw edge of the webbing
7. Set the webbing and hook to the inside of the body. Hook facing out
8. Sew on the logo
9. Sew the right and left side together 3/8" seam allowance
10. Sew the bottom and the un-binded middle together 3/8" seam allowance
11. Flip and you're done!
